## Stay Safe

Dear Parent/Carer

As you may be aware, Kirsty Williams, Minister of Education announced last week that schools will not going to be opening fully at the start of June. When we receive further information on the details of any form of reopening, you will be informed.

Bodnant is a hub school and caters for the children of Penmorfa, Clawdd Offa and Hiraddug. In line with the government guidelines the staff and children do not meet one another and have different areas of the school, entrances and playtimes and dinner times.

Bodnant will continue to:

- Open every day for the registered keyworkers when in work
- Open every day for registered pupils, identified as requiring further support by the local authority
- Provide online work for all learners via see saw and other methods
- Provide timely feedback on any work returned
- Reward and recognise the excellent work and efforts of our wonderful pupils
- Track, monitor and encourage all learners to engage with the distance learning programme
- Regularly contact all our families to ensure that all our pupils are safe
- Provide as much support as we can to our community
- Provide support via all our staff – please do not hesitate to call the school for support on 01745 854724

Children of key workers can be registered online through the Denbighshire website

[Please click on the link for the Denbighshire County Council website.](#)

Mrs Haddon continues to keep in regular contact with those families before the lockdown. She is able offer advice about Foodbanks as this is a difficult time for many families. Mrs Haddon is also able to offer speech and language lessons through Skype. Mrs Haddon is available for advice and support on [ch@bodnant.org](mailto:ch@bodnant.org).

Mrs Chandler is offering counselling and emotional support via email, phone calls and FaceTime for our parents and children on [julieichandler@gmail.com](mailto:julieichandler@gmail.com)

We hope the children are enjoying the work that the teachers are sending home and you are all able to access it. If this is not the case, please inform the school so that we can find another way for the children to receive their work.

Please continue to stay safe and look after your families.
