Happy St David's day to all our families. We have been celebrating the day in school with lots of activities which we hope the children have enjoyed themselves.

Year 5 and 6 children went to the Young Voices concert on Tuesday 6th February. The concert took place in Manchester Area and was full to the top with thousands of children. There were lots of songs to learn and the children had been practicing for weeks. This was an amazing experience and the children thoroughly enjoyed singing their hearts out.

# Prestatyn Kingfisher

4AVT took a walk over to Prestatyn duck pond to see if they could spot the kingfisher that has been causing a stir with ornithologists for the past few weeks. The children managed to spot the beautiful bird along with some bird watchers who were busy taking pictures. Even Betty got in on the action to see if she could spot him.

Chloe said "It was really interesting. I learnt that the female kingfishers have an orange throat and the young kingfishers have white on their wings. It was a lovely visit".

# SPORTS NEWS

## Indoor Athletics

Bodnant were represented in the County finals of the indoor athletics on Wednesday 7th February, with both a boys and girls team. The boys came 3rd overall which was an amazing result in a group of very strong schools. The girls came 5th which we are very proud of out of such a huge number of schools. 30 schools in Denbighshire participated across the region. Mr Batterbee said “ This was an excellent achievement in a very strong group and I am proud of each and everyone of the children who took part and gave their best”. Da iawn pawb.

# Nursery celebrate in style!

On Friday before half term, the nursery children tasted Chinese food (prawn crackers, noodles, rice and vegetable spring rolls). The children made chinese lanterns and a big dragon for the parade. For the parade the nursery class used their Chinese lanterns to light the way for the dragon and used musical instruments to celebrate the special day. The children loved to walk around with the costume.

# Parents & Toddlers

## Welcome to Bodnant Parent and Toddler Group

Come and see us on Tuesday (term time only) 2pm to 3pm.

(Please use the Bodnant Bach entrance.)

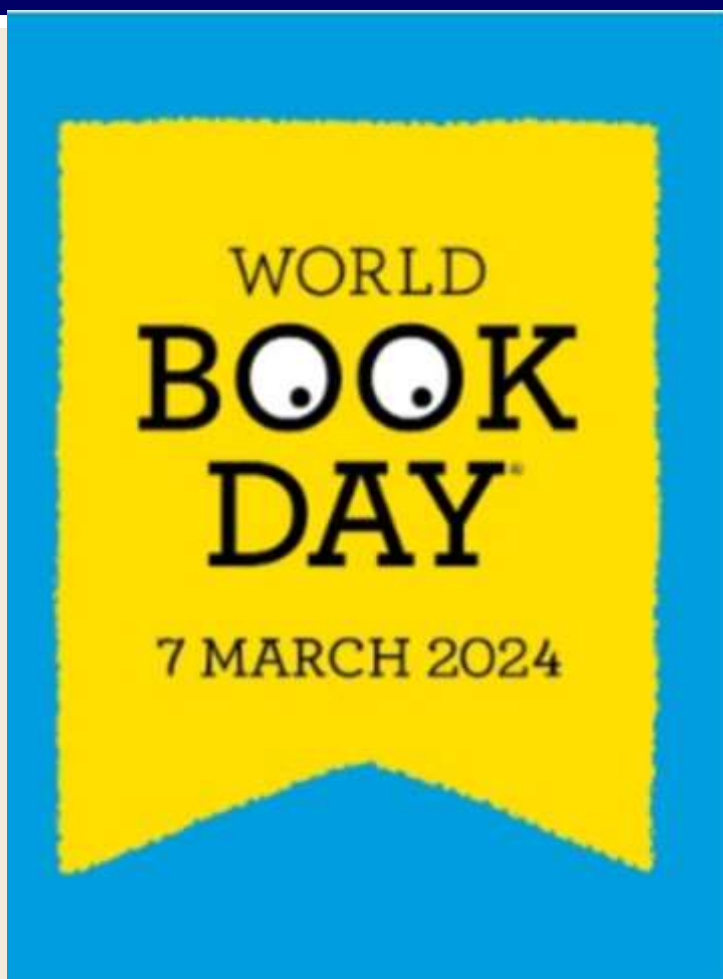

Every week we will have a craft activity, lots of toys, snack for the children and singing at the end of the session. It is a great way for the children to familiarise themselves with the school and to chat to other mums and dads too!

Tea, Coffee and a biscuit will be available for parents, we would be grateful for a small donation of 50p per session, (not per child).

We look forward to seeing you soon!

We will be celebrating  
**World Book Day**  
 on  
**Thursday 7<sup>th</sup> March**  
 and we are inviting children to  
 come to school dressed as a  
 character from a story book or in  
 their pyjamas. Please click on

 World Book Day and costume  
 ideas. [World Book Day About Us](#)  
 The children will be involved in  
 reading activities throughout the  
 school day.

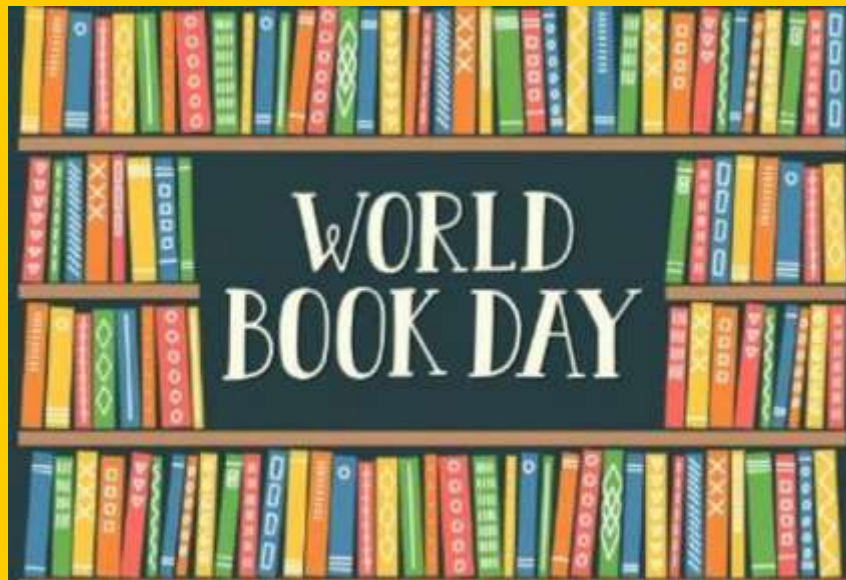

**WORLD BOOK DAY**  
 So many books, how do I choose?  
 A Love to Read Resource

Becoming more confident at choosing books you will enjoy is an important skill that takes time to master and needs to be practised! We suggest these six strategies next time you choose your next book.

- 1. Think:**  
What type of book are you in the mood for? Something to make you laugh, something which is familiar or completely new, a book which is exciting, or something to help you learn new things? Books offer us all types of amazing experiences. Before choosing a book, think about what type of experience you are looking for!
- 2. Choose:**  
There are many different strategies you can use to choose a book. For example, you can look at the front cover, the illustrations, read the blurb on the back, read the first few pages or random pages within the book. You can choose based on genre, author or book series, or choose based on a recommendation by someone or a review. You may try several of these strategies at once. Try using different strategies and see what works best for you.
- 3. Support:**  
There will be lots of others in your class and school who enjoy reading the same things as you do - support each other by recommending books to each other - you can share preferences by telling about them or writing short reviews/recommendations to display in your class or school.
- 4. Ask:**  
Your teacher and other school staff will have had lots of experience of choosing books. Ask them what strategies they use, or if they'd recommend any books for you. If you are struggling to find a book you like, ask them for help.
- 5. Look:**  
Look at how books are displayed in your class reading spaces or school library. Learn how books have been organised so you can choose more easily based on genre (e.g., funny, exciting) or topic (e.g., sports, animals). Help your teacher to organise these displays to support reading choices, look out for written reviews from others, and consider displaying your own reviews too!
- 6. Swap:**  
Even with good choosing strategies, sometimes a book is just not right, and that's ok. Becoming an independent and more confident reader is about knowing when a book is not right for you. So give it a go - don't give up too soon, but if you are just not enjoying it, choose something else - there's a better book out there for you!

# **We will be celebrating World Book Day Day on Thursday 7th March.**

Children can come to school dressed up as a character from their favourite book. Children can also bring that book in to share with their class.

## **Whole School Competition**

**'Read With Me'**. Children can bring in a photograph of themselves reading with someone else or a pet. The school council will judge the best photographs on World Book Day. If the children could bring the photo to their class teachers on the morning of 7th March. There will be prizes for the best pictures. Go for it! We can't wait to see your characters brought to life!

# Bodnant Gardening Club

Before we started clearing the old poly tunnel area.

Over the winter months the garden has been quiet but we have been planning what we are going to do as Spring is on the way. During one of the storms our poly tunnel blew away and was crushed, so we have been clearing the way for poly tunnel mark 2. We will have some exciting news about this next month. Clearing the garden is important work this time of year and we are already starting to see glimpses of spring, and a few creatures which call our garden their home.

Can you spot one of our residents in the garden?

Our new composter for the garden. Some of the garden waste will be turned into compost which we will use for our plants.

**YOUR GARDEN NEEDS**

Please get in touch if you have anything you would like to donate to our school garden, or if you know a community group who would like to get involved and engage with our exciting garden.

## Girls Golf—By Grace Longley

I would love to see more girls playing golf. I go to golf lessons in Trefnant Golf Club, and there is only me and another girl who go to the lessons. My coach and I would love to see more girls playing golf because girls can be really good at playing and it's a great way to keep fit when you get older. I started playing golf when I was about four years old and now I am ten years old so I have been playing golf for over five years. The people who inspired me to play golf are my brother and both of my grandads. I often play at St Melyd Golf club which is a very nice club. It has a snack shack in the middle. There are lessons on Fridays at 5 o'clock but I don't go because I have a lot of things to do. It would be amazing if any other children from Bodnant could go.

If you think you are bad at playing golf just keep going and you will get there and get better. In January I hit a driver shot over 150 yards and that is because I kept trying and I've never given up. I have hit loads of bad shots but I just kept going. When I have taken part in competitions, I have won a putter, a putting mirror and some sweets. I have also been part of the Curtis cup with lots of Women golfers which was an amazing experience.

So ask your parents today if you can go to golf lessons, give it a go.

## Parkrun—by Lara Wright

Parkrun is a free, community event where you can walk, jog, run, volunteer or spectate. Parkrun is 5k and takes place every Saturday morning. Junior Parkrun is 2k, dedicated to 4-14 year olds and their families, every Sunday morning. Parkrun is positive, welcoming and inclusive, there is no time limit and no one finishes last. Everyone is welcome to come along and there are different courses all over the country.

Parkrun in Prestatyn takes place along the Nova prom. It takes place every Saturday at 9:00am. If you're really fast or really slow, you can still participate and run or walk at your own pace. It takes place at the beach prom behind the Nova. It doesn't cost anything but you have to register to get a barcode and then you just show up and you're ready to go. You run all the way until you go up a hill and cross some rocks and down a hill and you're back on the prom and you run to the end. When you get to where you started, you run more until you reach the beach hotel and you turn round right to the finish. My dad walks with my dog. Me and my mum run ahead and we run, jog and walk. My mum found out about it on Facebook and my grandma does it with her friends and the dogs. I look forward to it on a Saturday. Go on, give it a go!

# It's time for a PUPDATE

Betty said..... I've had a really busy month in school. My timetable in classes is getting more full and I have loved some walks out with the children. Did you spot me on the look out for the kingfisher? That was a lovely afternoon out and I learned loads. I've been a bit of a spoilt girl too as GE Tools have send me a new bandana. Look how small I was when I started working in Bodnant! How good does this new bandana look on me. I had a bit of a rest over half term with my mummy, but now I'm so excited to be back in school. Yippee to all the children in Bodnant! Big woof, Betty x

Year 6 played in a local Netball tournament on Friday 23rd February . Our Bodnant team won 2 games, lost 2 games and drew 1 game. This was a fantastic effort by all involved. For all our pupils it was their first taste of competitive Netball and they should be really proud of what they have achieved.

This entrance has not been designed as a pupil drop off area. Parking is for staff and visitors only. The security pedestrian gate will only be opened for school visitors.

## Nant Hall road residents

Please be mindful of our neighbours by not inconveniencing them with your parking at drop off and pick up times. We regularly have phone calls into the school and this is not a good situation to be in. There is a large Tesco car park in walking distance from school and we would ask parents to use this facility to ensure roads and driveways are clear. Many thanks.

Please can we remind you for Health and Safety reasons that parents **must not** park in the visitors car park to drop or pick up their children, unless previously arranged. It is also important that you find a space to park your car when bringing your child into school (please use Tesco car park and other car parks near to school). **Please do not stop your vehicle outside the school gates to drop your child off in the morning, thank you.**

**SAFETY  
REMINDER**
